Mrs. Moore,

We, the class of 1973, are proud to dedicate our year-book to you. For fifty devoted years you have looked upon teaching as more than just a job. As a teacher you have helped to guide the careers of many students over the years. As head of the Business Department, you have won the respect of students and faculty alike and have done much for our school. It is thus with deep appreciation and respect that we dedicate this year-book to you.

Message to the Seniors:

Successful people become successful because they have formed the habit of doing things failures don't like to do.

The famous French writer, Jean Cocteau, had a rule of living: "Always to get up one more time than I have fallen."

Perhaps the most dramatic words on the subject of hard work are contained in the motto of the U.S. Army Engineers: "The difficult we do at once. The impossible takes a little longer."

Remember that most people who have realized their dreams have had to fight to slay the same dragons that you will have to battle. They have, as you must, held on to their dreams and stood toe to toe with adversity until they won.

As you set out to face the world aim for the stars and hold onto your dreams. It will not always be easy but, if you believe in your dream, if you learn the art of getting along with and serving your fellowman, and if you have the willingness to stand squarely on your own feet and battle, your dreams will no longer be dreams, you'll be there.

Lincoln D. Lynch

Kenneth L. Johnson, Principal

Principal's Message to the Seniors

Wend forth from gleam to goal lest
One's ego contains him for naught.
Relieve the bind of vestigial tradition that
Looks not just the soul but the mind of man.
Defend not the past that enlightens not the present,
Let go of the pre-essences carefully tho, — for
Integrity must prevail in one's value design.
Neo-social awareness bespeaks of the transcendence of
Emotional preceptions, seemingly comfortable;
Seductive, however, in that complacency merely
Sanctions the present, unmindful of what the future
will demand.

Assistant Principals

Mr. Joseph King

Message to the Seniors:

God grant me the courage to change the things I can change, the serenity to accept those I cannot change and the wisdom to know the difference.

— But God grant me the courage not to give up what I think is right, even though I think it is hopeless.

Mr. Norman MacDonald

Message to the Seniors:

In life there are no guarantees; yet opportunities are abundant. Success and failures become as mere points on a scorecard as one travels down the highway of challenge. My sincerest wish for each one of you is that the totals on your scorecard of experience will be overwhelmingly those of success, and rich in the satisfaction of joyful living.

Good Luck to the class of 1973.

Students Tour Soviet Union in 1972

Jamie in Moscow's Red Square

The tour of the Soviet Union during the summer of 1972, which was sponsored by The Choate School, was conducted by Johannes van Straalen, Director of the Russian Studies Center.

With the most willing help and recommendations of Mr. John Sullivan, this fantastic experience was

made possible for Brad Johnson, Jamie McNeil, Claudia Shaw, Billy Sullivan and Sue Wilmot. Melanie Kenyon participated in a similar program.

After having visited Leningrad, Volgograd, Sochi, Tblisi, Kiev and Moscow, we can all be assured that the trip was a most unforgettable

experience — "pravda" (right)?!

In an assembly sponsored by the Silver M Society, students involved in this tour shared their experiences with the student body. There was a slide presentation and descriptions of points of interest concerning Russia and Soviet life.

THE D.E.C.A. BLASER

Although the main function of the D.E.C.A. Store is training, it also provides a valuable service to the students of M.H.S. The employees learn the various facets of marketing and distribution. The wants and needs of the consumer, purchasing, pricing, and inventory are all functions of the D.E.C.A. Store. Small as it may seem the D.E.C.A. Blaser is a vital part of the D.E. program. The D.E. students have future plans for expansion.

Football '72

Sachems Earn 5-2 Record in the South Shore League

This year's football squad compiled an impressive 5-2 league record, to finish third out of seven teams in it's new league. After the first winning season for the Varsity Squad since 1968, hopes are high for the future of the team. Players

and Coaches alike feel that the additional incentive and enthusiasm generated this year will create an atmosphere which will bring the team farther still in the '73 season.

Cliff White	50 points
Bob Letendre	30 points
Dave Harrison	30 points
Pete Chiuppi	24 points
Ed McQuiggan	22 points

Ed McQuiggan scored 19 for 21 point afters and 1 for 3 field goals.

The strength of the defense is demonstrated by the five shutouts this year.

Junior Varsity

Field Hockey — Talented, but Inexperienced Squad Wins Two Games

As new members of the South Shore League the Girls' Varsity and J.V. field hockey teams enjoyed victory this season. Although they did not have a winning season, the team displayed enthusiasm and a real spirit of competition. New uniforms added to the color of the team. The girls' determination brought the varsity two wins and a tie and the J.V., under the coaching of Miss Sakshaug, one win and two ties.

This year the varsity co-captains, Netha White and Claudia Shaw were chosen by their teammates, consisting of sophomores, juniors and seniors. The senior members, Sue Wilmot, Lynn Solberg, Dianne DeCoursey and Claudia Shaw want to thank Coach Salley for her patience and encouragement. They would like to wish her, Miss Sakshaug and their teammates best of luck in the seasons to come.

Soccer —

Team Shows Promise in Second Season

In only the second year of organized soccer, the team showed signs that in the near future MHS will have a good, sound soccer team. Under the guidance of Coach Brooks and the leadership of the four seniors Bill Kujanpaa, Terry Roberson, Paul Heinig, and Brad Johnson, the team managed to stay close in all but a couple of their matches. With some breaks, the team might have been able to pull off a few more victories. They completed the season with a 1-7-1 record.

In building for the future and to give the team some depth, Coach Brooks invited junior high students to participate in the sport. At the conclusion of the season, the team traveled to Stonehill College to watch a match between Stonehill and Holy Cross. The players aspire to play this kind of ball and got many pointers.

Cross Country — Taylor of M.H.S. Paces the South Shore League

The M.H.S. cross country squad finished its season with a 2 and 12 record; however, with everyone but two seniors returning, next years' prospects look brighter.

Harold Taylor provided M.H.S. with its bright spot, finishing first in all but 5 of the league meets and winning trophies at the state and invitational meets.

Littlefield's Power Pack Ends Fabulous Season at Tech

VARSITY; Row 1: J. Mullen, R. Letendre, co-captains. Row 2: D. Harrison, M. Dutra, J. Fagerberg, J. White, J. Scanlon, J. Marshall, C. White, F. Littlefield - Coach.

The Sachems started their season with seven straight wins before dropping a one point decision to Duxbury. They ended regular season play at 15-3, second place in the South Shore League, and then tuned up for the Tech Tourney by winning the league playoff tournament.

This year's team under the new coaching of Frank Littlefield has developed into one of the best all around teams in the area, from the starting five to the reserves. This year's team has shown great depth which has not been seen for quite a few years.

In the Class II State Championship Play-offs Middleborough won their first game against an Old Colony Team, Rockland, 72-63. In their second play-off game against Medfield, the Sachems came close to winning an 83-81 thriller in four overtimes.

Our Varsity Basketball squad deserves praise for providing Middleborough with it's most exciting season in any Varsity sport for many years.

Varsity and Junior Varsity Cheerleading holds a unique position among sports. Participating in both the football and basketball games, these young ladies put in many hours of practice. Their enthusiasm and interest in the games help provide fans and players alike with a

strong desire to win. The varsity squad, led by co-captains Mary Heleen and Deborah Holmgren have shown a real ability to come up with a variety of cheers. Our "Ambassadors of good will" are respected for all that they add to the M.H.S. sports program.

Wrestling is one of the fastest growing sports in youth organizations, schools and colleges. It is one of the oldest sports enjoyed by man. Many of the skills have been handed down through the centuries with very little change in the fundamentals. Wrestling received considerable publicity in the recent summer Olympics, which has aided in its popularity.

Previously, Wrestling was only to be found in the general physical education program at M.H.S. In January of 1972 a wrestling club was formed at M.H.S. by a group of interested students. Due to the initial interest, enthusiasm and response interscholastic competition began with the Winter Sports Program in 1972-'73. As is true in many sports, experience is a very vital factor to the overall success of an individual as well as a team. A

considerable amount of valuable experience was acquired by the team during the year as it had a 10 match schedule.

M.H.S. competed against several veteran teams such as Foxboro, Duxbury and Marshfield as well as Plymouth-Carver and

Bridgewater-Raynham who were in their first year of competition as well as was M.H.S.

A highlight of the 72-73 Wrestling season was the commendable showing the team made at the Marshfield Invitational Tournament in February, winning

3 second, 2 third, and 3 fourth places.

The coming '73-'74 season should find the M.H.S. Wrestling team in very good shape. There will be a veteran team returning as only three seniors will be graduating. The squad has a nucleus of Freshmen and Sophomores. Several of the wrestlers had a successful season. Among those were Tom Warren, Mike Masi, Paul Gouveia, Mark Hoult, Gary Hill, Doug Leary and Jon Olson. All of the above will return next season with the exception of Doug Leary and Jon Olson who are Seniors.

M.H.S. First Hockey Team Shows Hustle, Future Looks Bright

Led by Captains Jim Gotham, Alan Rink and Alvin Rink, and coached by the very capable Steve Daly, the hockey team made its debut in the South Shore League against Cohasset, a team expected to reach the tourney by the end of the season. Cohasset was expected to beat the Sachems by at least nine goals, but the Middleboro skaters came out hustling and showed an undying spirit that stayed with them throughout the year. The game was closer than most people thought it would be, 5-0.

Since then the team has skated well enough to earn many victories, but Lady Luck was against them. The team has predicted a tournament berth next year, however.

HOCKEY SQUAD Row 1: P. Gasunas, J. Holmes, E. McQuiggan, J. Gotham, A. Rink, D. Thomas, W. Thomas, K. Crocker. Row 2: N. Wil-

liams, S. Morse, J. McCormick, W. Garceau, Coach Daley, B. Linton, D. Goodnow, P. Michael, J. Moakley.

They have very capable personnel. The Rink brothers, Alan and Alvin, are one reason for the prediction of a better season next year. Outstanding hockey potential has also been demonstrated by goaltender Kevin Crocker, wings Bruce Linton and Scott Morse, and center John Moakley.

This year's defensive pairings are Alvin Rink and Ed McQuiggan, John Holmes and Donny Thomas, and Bill Garceau and Dana Goodnow. Other forwards on the team include Joe McCormick, Nat Williams, Pete Michael, and Bill Thomas. The back-up goaltender is Paul Gasunas, a good future prospect.

Special mention should be made of the superb coaching of Steve Daly. He took a group of boys who have played nothing but pond hockey and he has turned them into a team, and a well-balanced one at that.

The seniors who will no longer be with the team are Jim Gotham, Ed McQuiggan, and Donny Thomas. All three played regular shifts and will be missed on next year's tourney-bound team.

Girls'

VARSITY; Row 1: K. Levesque, T. Jeffery, J. McNeil, S. Wilmot, N. Pawlak. Row 2: Coach Salley, M. Maddigan, L. MacDonald, P. Amaral, L. Letendre, C. Lovell.

After building up a good strong team the Girls' Varsity Squad has shown much spirit, which led them to five wins this season.

With Pat Salley in only her second year of coaching and a determined, young junior Varsity squad coming up, it looks like a new, bright future for Girls' Basketball!

FALL SPORTS BANQUET

On November 22, 1972, the annual Fall Sports Banquet was held at M.H.S. Organized by Chairman Marcia McCarthy and Co-chairmen Kassie Brown and Michelle Chassey, a chicken dinner was served to all fall sports participants. Including guests, over three hundred people attended this event. The evening ended with a pep rally in the gym.

CORONATION DANCE

The Coronation Dance was held on November 17, 1972, at M.H.S. The members of the court, chosen by the football team, were Kassie Brown, Diane DeCourcy, Michelle Chassey, Terry Condon, Bonnie Costa, Carol Harlow, Debbie Holmgren, Tina Jeffery, Jamie McNeil and Lynn Teceno.

After football co-captain Jim Scanlon presented each girl with a red rose, the highlight of the evening came when football co-captain Bob Letendre crowned Tina Jeffery as M.H.S.'s Football Queen.

Bob Letendre crowns Tina Jeffery as the 1972 Football Queen while members of the court and the football team look on.

SING PRAISE TO GOD WHO REIGNS ABOVE

1. Sing praise to God who reigns above,
The God of all creation, The God of power,
the God of love, The God of our salvation;
With healing balm my soul he fills,
And every faithless murmur stills;
To God all praise and glory.
2. What God's almighty power hath made,
His gracious mercy keepeth;
By morning glow or evening shade
His watchful eye ne'er sleepeth;
Within the kingdom of his might,
Lo! all is just and all is right;
To God all praise and glory.
3. The Lord is never far away,
But through all grief distressing,
An ever present help and stay,
Our peace and joy and blessing;
As with a mother's tender hand,
He leads his own his chosen band;
To God all praise and glory.
4. Thus, all my toilsome way along,
I sing aloud thy praises,
That men may hear the grateful song
My voice unwearied raises;
Be joyful in the Lord, my heart,
Both soul and body bear your part;
To God all praise and glory. AMEN

IMMORTAL, INVISIBLE, GOD ONLY WISE

1. Immortal, invisible, God only wise,
In light inaccessible hid from our eyes,
Most blessed, most glorious, the Ancient of Days
Almighty, victorious, thy great name we praise.
2. Unresting, unhasting, and silent as light,
Nor wanting, nor wasting, thou rulest in might;
Thy justice like mountains high soaring above
Thy clouds which are fountains of goodness and love.
3. To all, life thou givest, to both great and small;
In all life thou livest, the true life of all;
We blossom and flourish as leaves on the tree,
And wither and perish, but naught changest thee.

AMEN

O GOD OUR HELP IN AGES PAST

1. O God, our help in ages past;
Our hope for years to come,
Our shelter from the stormy blast,
And our eternal home!
2. Under the shadow of thy throne
still may we dwell secure;
Sufficient is thine arm alone,
And our defense is sure.
3. Before the hills in order stood,
or earth received her frame,
From everlasting thou art God,
To endless years the same.
4. A thousand ages, in thy sight,
Are like an evening gone;
Short as the watch that ends the night,
Before the rising sun.
5. Time, like an ever rolling stream,
Bears all its sons away;
They fly forgotten, as a dream,
Dies at the opening day.
6. O God, our help in ages past,
Our hope for years to come;
Be thou our guide while life shall last,
And our eternal home! AMEN

Dear Alma Mater, N. H. S.
Our school and our home and our goals
to success,
We'll remember with joy every day

When we lived with the spirit of you.

Though the years will go by and we be
far, far away,
We will never forget this, our vow
